BIOMASS SUSTAINABILITY POLICY

FELCRA JAYAPUTRA SDN. BHD. is committed to promote biomass sustainability. The promoting is based on the three aspects, namely -Prosperity, Planet and People, also known as 3Ps. This Sustainability Policy also in line with the requirement of **Green Gold Label-Chain of Custody (GGL-COC)**'s requirements. With the embracing of sustainability for the 3Ps, we are aiming to produce sustainable outcomes with fine tune our currently practicing and processing methods, which towards the goals. Also, all our practices are in align with industry, national and international **Best Management Practices (BMP)**. Lastly, we shall ensure that external and internal stakeholders are well treated and in a good relationship with the Company. This Sustainability Policy comprises the following principles that has been integrated into our management system(s):

- PRINCIPLE 1 : BIOMASS SOURCES SHOULD BE SOURCED FROM SUSTAINABLE SUPPLIER.
- PRINCIPLE 2 : BIOMASS SOURCES SHOULD NOT BE OBTAINED FROM HIGH-RISK FEEDSTOCKS.
- PRINCIPLE 3 : GREENHOUSE GAS EMISSIONS AND SAVINGS SHOULD BE PROPERLY ACCOUNTED.
- PRINCIPLE 4 : BIOMASS SOURCES USE SHOULD BE LIMITED TO WHAT CAN BE SUSTAINABLY SUPPLIED.
- PRINCIPLE 5 : SUPPORT SHOULD BE GIVEN TO ALL TECHNOLOGIES THAT ACHIEVE SIGNIFICANT GREENHOUSE GAS SAVINGS OR REDUCTION.
- PRINCIPLE 6 : THE SUSTAINABILITY OF FEEDSTOCK SUPPLIER SHALL BE INDEPENDENTLY VERIFIED.
