

**FELCRA JAYAPUTRA SDN BHD
(KILANG KELAPA SAWIT JAYAPUTRA)**

**POLICY FOR IMPLEMENTATION AND COMMITMENT TO THE MALAYSIAN
SUSTAINABLE PALM OIL STANDARD, MS2530:2022**

FELCRA Jayapura Sdn. Bhd. is committed to fully implementing and complying with the Malaysian Sustainable Palm Oil Standard (MS2530:2022). We are committed to achieving sustainability through systematic management and continuous improvement, based on the following principles:

**MALAYSIAN SUSTAINABLE PALM OIL STANDARDS
PART 4: GENERAL PRINCIPLES FOR PALM MILLS**

PRINCIPLE 4.1: Management Commitment & Responsibility

Management demonstrates leadership and responsibility in implementing sustainability.

PRINCIPLE 4.2: Transparency

Provide operational and sustainability-related information to stakeholders clearly and in accordance with appropriate requirements.

PRINCIPLE 4.3: Compliance with Legal & Other Requirements

Comply with all relevant laws, regulations and certification requirements.

**PRINCIPLE 4.4: Responsibility for Social, Health, Safety & Employment
Conditions**

Protect the welfare, safety and rights of workers and contribute to the well-being of society.

**PRINCIPLE 4.5: Environment, Natural Resources, Biodiversity & Ecosystem
Services**

Protect the environment, natural resources and biodiversity through responsible practices.

Our goal is to ensure sustainable palm oil production based on continuous improvement and a systematic approach.
